Pickering, Ontario
L1W 3L6

Dear Brad and the Wonderful People at F.G. Bradley's,

On behalf of Reach for the Rainbow and the children and families we serve, I would like to Thank You for your wonderful and generous donation of an Air Hockey Table to the 24th Annual Crystal Ball.

This gift will go a long way in helping us provide integrated recreational opportunities to children and young adults with physical and developmental disabilities, offering much needed respite to the families and care givers of these beautiful individuals and increasing public awareness in seeing beyond disabilities.

Because of your generosity, these young people will be able to participate in typical summer camp programs, March Breaks and year 'round activities with the aid of a 1:1 counsellor.

We all have reasons for why we want to support charitable causes – but what is most important is the knowledge that your commitment has truly helped. I would like to share with you just one of our Camp Counsellor's comments on the impact that Reach for the Rainbow has had on her and her campers:

“That first summer changed my life. The children encourage me, challenge me and made me laugh every day. I learned that I am far more patient and creative than I ever thought. Children who were afraid of being in a canoe were getting themselves ready and into the canoe on their own; children who were previously not interested in participating in activities were not only participating, but making friends in the process; campers who were nervous about coming to camp were making friends and being viewed as a person and not by their disability”. Kim Bowmer, Michelle Julia Gringler Memorial Scholarship Fund recipient, Camp Chippewa Integration Counsellor.

On behalf of everyone at Reach for the Rainbow, please accept our sincere appreciation for your generosity and dedication to our cause. We are incredibly grateful.

Thank you again!

Kindest regards,

A. f. King
